

## Make a Difference –

*Volunteer with the Sexual Assault Response Network of Central Ohio (SARNCO)*

SARNCO is looking for caring and compassionate volunteers who:

- excel at listening to the needs of others
- want to truly make a difference in the community
- care about ending sexual and relationship violence

As a SARNCO Volunteer Advocate, you will be a part of our mission to empower all survivors and co-survivors of sexual and relationship violence and in time, to eliminate these forms of abuse, through culturally competent prevention and outreach programming.

SARNCO is looking for volunteers who are bilingual in ASL and English or who are deaf to assist our efforts in serving survivors who are deaf.
